The Kammargode Estate.

Survey N° 4
" Extent. 11 acres 37 Guntas.
Assessment. Rs 10/-

This Estate which is situated in the Mudgere Taluk is a Kandayam land owned by the Belur Temple.

2- In April 1888, the late Mr. Sanderson applied for a lease of the Estate for Coffee cultivation for a period of 99 years. As the temple itself held the land on the usual Survey guarantee of a 30 years' tenure, he proposed to get it converted into a per-manent holding in favor of the temple on an assessment (including Cess) of Rs 19-2-0 calculating at the rate of Rs 1½ per acre as fixed for Coffee lands taken up on permanent tenure, and then take up the Estate him-self from the temple on a sub-lease for 99 years. On this Condition, Mr. Sanderson undertook to pay the temple

an annual rent of Rs 44/10 or Rs 25/8 more than what the temple itself would have to pay to Government. This proposal having been favorably received by the Temple Managers, the Deputy Commissioner submitted the question for the orders of Government. After some Correspondence on the subject the Govt in Pro: No 276-7 dated 26th December 1892, declined to accept the proposal on the ground that 99 years was a long period for a lease, and observed that the land might be leased out for a period of 30 years, subject to certain conditions, if the managers of Mrs Sanderson's Estate would accept the same. The Deputy Commissioner now submits for orders of Govt a letter* from Mr Townsend, Superintendent of the said Estates, in which the latter represents that he has been paying an annual rent of Rs 44/ to the temple for the last 8 or 9 years on the distinct understanding that the Estate

Now converted into Permanent Coffee Estate at 1½ Rs an acre? I think not. The owner is compelled to lease it for any period, & I do not see any good ground stated in the way of the long leases out for 99 years by the Pagoda managers, subject to revision of assessment at the end of 30 years. — The owner or the lessee is not liable to any increase of assessment, because coffee is ~~cultivated~~ crop is raised & Owners have at liberty to raise any crop. — I would simply say You have no objection to the lease of 99 years subject to revision of assessment at the end of 30 years

Remanded the petition for revision of assessment made by the lessee, that there should be no assessment on the land for any kind of crop raised during the term of the lease, as it is now assessed at Rs 10 per acre, & this assessment is to be recorded in the Register of Assessments for the year 1914-15 (No 44-10 of the Register of Assessments), & that the assessment made during the term of the lease should

Sir,

I have the honor to submit for the information of the Dewan that there is a Cadavy fit to be brought under Coffee cultivation in the Mudagere Taluk, Kadur District measuring A — G 11 — 37 and assessed at Rs 16/- bearing Survey No 4 belonging to Sri Cheenakesava Swamy Temple at Belur. From a long time the Temple did not derive any profit, the land being waste-

Recently

Recently however it has been reported that ——— Mr. Sanderson agrees to pay annually Rs 44-10-0 at Rs 3-8-0 per acre with Local Cess, if he gets a lease from the Temple for 99 years. By this arrangement the Temple after defraying Rs 19-2-0 the permanent rate of assessment, will derive a net profit of Rs 25-8-0 per annum; whereas Even if the land is sold it cannot fetch more than Rs 100/- which Sum can be recouped by this arrangement within three years.

As no better offer is made by any devotees of the Temple, I request permission to lease the land to the Executors of Mr. Sanderson on the terms agreed upon by him. Mr. Sanderson died a few months ago and his Executors are willing to

to take the lease on the same terms (viz) to pay an annual assessment of Rs 44-10-a. to the Temple on 99 years tenure and Consent to its recovery according to Rules for the collection of Revenue demand-

The Vernacular papers Ending with the Below Amildar's Report- No. 30/326 dated 22d Ultimo with Muzaroz officers Memo thereon; are herewith forwarded for needful reference and obliging return.

From

To,

The Chief Secretary
to the Government of Mysore,

Sir,

I have the honor to acknowledge the receipt of your Memo No. 4340/429 of the 4th Instant forwarding the Hassan Dysonnurs letter No. 425 with Enclosures (herewith returned) for opinion.

2. The deceased Mr. Sanderson made a proposal on the 18th April 1888 to take up the land on permanent tenure by payment of Rs. 44-10- annually. The land was given to the Belur Temple on 30 years tenure. The Temple Manager has no power to lease it beyond 30 years Before Mr. Sanderson's offer was accepted he died in 1889 and his executors appear to have paid one year's Sandayam for the land which the Amildar reports is held now in deposit. There was not a Complete Contract between the Temple Manager and Mr. Sanderson to accept the payment of

of Candayan from his Executors. The Will is not before me to see whether the Executors were empowered to take lands on lease on behalf of the State. The Amildar proposes that the 30 years tenure might be converted into a permanent lease by payment of Rs. 34/. at the cost of Govt.

3. From the enquiries made I ascertained that the Survey Settlement of Belur Taluk took place in 1877 and there are 17 years more for the expiration of the 30 years tenure. I am of opinion if the Amildar's proposal to convert the present tenure into a permanent one be accepted the land may be leased for 30 years instead of for 99 years which is a long period.

4. The land may be granted on behalf of the Temple on the lessee executing a duly registered document on the following conditions viz

(a) That the lessee shall punctually pay the agreed assessment and all local cesses.

(b) That he shall keep the land and keep it in good order.

(c) That he shall not cut the trees that may be now standing therein except to the Extent actually required for cultivation purposes.

(d) That the trees which the lessee may plant shall not be felled down by him at any time but

but they shall revert to the Temple with all buildings erections and fixtures which may hereafter be built or erected thereon.

(e) That no act of devastation shall be done on the land to the prejudice of the reversionary rights of the Temple.

(f) In case of the breach or non performance of any of the above Covenants the Temple Manager shall re-enter, re possess and enjoy as of his former Estate.

Adverting to your letter No. 860 dated 15th January last requesting me to enquire and report whether and how long since the Maharajah's charities at Tirupet stipulated in the Inam grant therein enclosed have not been properly performed by the Parkal mutt and why the Muzrai Cash allowance granted for the up-keep thereof should not be attached till sufficient guarantee is furnished for due fulfi. of the object of the grant, I have the honor to submit report received from the Amildar of Bowringpet Taluq for information of Govt. No references are available in this office on the subject. It is stated that the allowance in question has been paid in the Bowring Treasury merely as a matter of convenience as being the bordering Taluk to the British territory where the institution is, to enable the agent to come and take the money, while the supervision and management of the have all along remained with the Swami of the Mutt, the Constituted manager. The

The Swami is now in Mysore and the institution at Tirupati in the North Arcot District. No record is forthcoming either in the Taluq where the payment is being made or in the District office to show the state of the building the services performed at the place, the monthly expenditure incurred on that account or the agency by whom it is being incurred. It would be more convenient therefore if the Muzrai Supdt can take the enquiries into his own hands as he will be able to obtain accurate reports from the Muzrai agent on the Tirupati Hills and confer personally, if necessary, with the Swami at Mysore. If however the Government are of opinion that it should be conducted in this District I beg for permission to depute the amildar of Bowringpet or the Treasury Assistant Commissioner who is in charge of the Muzrai Department, to proceed to Tirupati and hold the necessary enquiries and that all records available in the Head office on the subject of the grant and subsequent performance of the charities may be sent to me for reference.

the working of the Varakala Swamy Charities

The Hayagriva mat of the Varakalaswamy,
to which the grant is attached, is situate

the old mat had gone to ruins and that
a small house was subsequently purchased for

2. As regards the 'Vaishnava Sauthar-pana', which besides keeping the said buildings in good repair, is the object of the grant, we find that it has to be conducted both in Upper & Lower Tirupati. General enquiry shews us that little or no 'Sauthar pana' is done at either of the places. But until we are authorized to call for accounts and to supervise the charity, we shall not be in a position to state definitely how the charity is being conducted now.

3. We find from some correspondence in the Chief Commissioner's time (please see order No 22 of the 15th September 1868), that the Mysore Government reserved to itself the powers of supervising the above Charities and satisfying themselves that they are duly performed. It seems to us therefore that similar powers may be extended to us now.

4. We are aware that of the total grant of Rs 1321- 11-9 for the above Charities,

5) a Sum of Rs 400—0—0, was ordered to be used by the Parakala Swamy every year, towards the liquidation of a debt due by him the Mysore Palace. (vide your order to the late Peishkar No 419 dated 2nd Feb. 1819 It follows therefore, that till this is discharged, we have to see that the of Rs 921—11—9 is properly expended on Charities and thereafter, the full amount

Sir,

With reference to your docket No. 2443 dated 7th February 1904, forwarding in continuation of our docket No. 840/87-92 dated February 1901 a petition received from the agent to Sri Parakalaswami etc re the arrears of allowance due to the matt at Dimpati and calling for an early report in the matter, I have the honor to state that as the enquiry ordered

ordered by Government regarding the regular hereditary service of the Sanctarpa and Brahmotsava to the Matt at Tirupati will have to be made at Tirupati itself - it will be convenient if Government can depute a special Officer to Tirupati to make the necessary enquiries there and also to confer personally with the Swamy at Nellore on the matter, if necessary - If however Government desire that the enquiry should be made by an Officer of this District, I beg permission to depute one of the Assistant Commissioners of the District to go to Tirupati for the purpose.

2. As regards the allegation made in the Petition of the agent of the Matt regarding the non payment of the arrears of allowance due to the Matt at Tirupati I beg to state that the Amildar of Bowringpet appears to have withheld the allowance for a time in expectation of the necessary accounts being furnished by the Matt. The arrears have however been since paid to the Matt.

TO,

HIS HIGHNESS,

The Maharajah of Mysore.

MAY IT PLEASE YOUR HIGHNESS,

We beg to approach you with feelings of gratitude towards your Highness for the inestimable charities your benevolent family has instituted in Tirupati a holy place of all-India pilgrimage and likewise with feelings of regret that a portion of the same is not conducted satisfactorily by those who have been made responsible for it.

2 We allude to the institution known here as Sri Parakalaswami Mutt on the hills and in Lower Tirupati with other minor charities attached to the same, all which, we understand, are financed by your Highness's State. Situate more or less side by side with your Highness's chattrams, these mutt buildings present a very sorry spectacle. The dilapidated condition of the buildings, and their absolute insufficiency and uselessness to the pilgrims call for immediate attention.

3 Next as to the feeding of the pilgrims if our information is correct that your benevolence has provided amply for the feeding of pilgrims throughout the year, then we are bound to bring to the notice of your Highness the most unsatisfactory manner in which it is being conducted.

We pray that your Highness may be pleased to depute a responsible officer to go to the spot and report to your Highness as to the reforms needed.

May your benevolent rule ever prosper and may your Highness be blessed with long life and happiness.

YOUR HIGHNESS'S MOST OBEDIENT SERVANTS.
